DR. ELIOT AGAIN DELAYED.

The visit to Hawaii of Dr. Charles
W. Eliot, president-emeritus of Har-
vard University, has again been post-
poned. Dr. Eliot's party now expects
to arrive here by the Siberia, due on
July 22, and to go on to San Fran-
cisco by the China on July 30.This information was received today
by Ralph S. Hosmer, secretary of the
Harvard Club, from President Eliot's
secretary, Roger Pierce, in a letter dat-
ed Kyoto, Japan, June 19. The plans
for entertaining the party while in
Honolulu will be adjusted by the local
committee to fit the new dates.Up to the receipt of this letter the
expectation was that Dr. Eliot's party
would arrive here on July 16 and con-
tinue their journey by the Siberia on
July 23.If a man's conscience never troubles
him, it's a sign that he has it well
trained.

RULES COMMITTEE APPROVEDFollowing is the report of the sub-
committee consisting of Clarence L.
Crabbe, C. C. James and William
Thompson, with, for purposes of clear-
ness, explanations of amendments from
the draft referred to the subcommittee
inserted:

Honolulu, T. H., July 1, 1912.

Mr. Alfred D. Cooper, Chairman, Ex-
ecutive Committee, Territorial Cen-
tral Committee, Honolulu, T. H.Dear Sir: Your committee on re-
vision of the rules and regulations beg-
to report that, after careful study and
as a result of many meetings and con-
ferences, several of which were held
with prominent members of the party,
not members of the central commit-
tee, they recommend the adoption of
fourteen amendments."In the course of the preparation of
these proposed amendments a general
invitation was extended to all mem-
bers of the party to suggest such modi-
fications of the present rules as, in
their judgment, would prove beneficial,
and the committee is indebted for a
number of these amendments proposed
to those who responded to this invita-
tion. The proposed amendments are
attached hereto and made a part here-
of. For convenience they have been
numbered consecutively from one to
fourteen inclusive. The more impor-
tant ones and the reasons for the re-
commendation of their adoption are as
follows:"No. 1.—To make registration in the
general county register a requirement
for membership in a precinct club."Amend Section 3, Article 1, by
striking out the second sentence and
inserting in lieu thereof:"Only persons registered in the gen-
eral county register (provided for in
Act 68 of the Session Laws of 1911)
and such persons who may be eligible
to register in said register prior to the
next general election, but who are not
eligible to register at the time they
seek to enroll as members of the pre-
cinct club, shall be eligible to mem-
bership in the precinct club, and such
persons shall be eligible to membership
only in the precinct club for the pre-
cinct under which they are registered.""The primary elections as conducted
under the present rules and regulations
are not satisfactory. We believe that
this statement represents the views of
the great majority of Republicans in
this Territory."The causes for the dissatisfaction
may, we believe, be traced chiefly to
the enrollment of minors, persons not
bona fide residents of the precinct, and
all persons belonging to and partici-
pating in the affairs of other political
parties."Comparatively little complaint has
been registered with respect to the ac-
tual conduct of the election itself, and
comparatively little trouble arises from
the rulings made by the judges of elec-
tion, and the counting of ballots, etc.
In other words, the chief source of
complaint is directed rather against
the persons wrongfully participating
in such elections, than the manner in
which the elections themselves are
held."By making registration in the great
register a qualification to membership
in the precinct clubs, which is, of
course, equivalent to limiting the qual-
ifications of those able to vote at any
club election to those who have regis-
tered, the party will avail itself of all
the safeguards and formalities provid-
ed by a carefully-drawn law applying
to general elections."In this connection, it may be men-
tioned that the committee has been
called upon to endorse and recommend
a primary law, but, while heartily in
favor of such a measure, it is believed
a committee on platform, hence no
recommendations are made in the mat-
ter."No. 2.—To provide that the precinct
club officers shall be ex-officio officers
of the executive committee, instead of
ex-officio members thereof, as at pres-
ent."As the precinct club is the unit of
organization itself and the duties of
its officers are of such a nature as to
entail the expenditure of but little
time, it is deemed advisable to have
the precinct organization as compact
and united as possible, rather than to
have two organizations within the
same precinct club, as is the tendency
under the present rules."No. 3.—To provide that meetings of
the executive committee of the pre-
cinct clubs may be held upon direc-
tion of the president, three members
of the committee, or of ten members
of the precinct club."Amend Section 5, Article 1, by ad-
ding another paragraph to read as fol-
lows:"Upon direction of the president or
by request of any three members there-
of or upon petition of ten members
of the precinct club, the secretary of
the club shall call a meeting of the
executive committee by mailing notices
of same to the members thereof at
their postoffice addresses at least two
days prior to the date of said meet-
ing.""This, in the opinion of your com-
mittee, is a very desirable amendment.
In the past it has often been difficult
for members of the club to secure con-
sideration of matters of importance to
them by the executive committee of
their club. The present amendment
provides that meetings of the executive
committee shall be held by the direc-
tion of the president, three members
of the committee, or of ten members
of the club."No. 4.—To change the hours for
holding primary elections from 2 to
7 to 1 to 6 p. m."This, in our opinion, will be more
convenient for the great majority of
all concerned; yet recognizing the
fact that every member of the club is
entitled to be given a fair opportunity
in which to cast his ballot, your com-
mittee would not so recommend it, in
their judgment, this change would in-terfere with that right; and a full and
free discussion of the subject is rec-
ommended."No. 10.—To change the time for
closing the secretary's roll books."Amend Section 18, Article 1, by
striking out all, except the first sen-
tence and adding the following:"The rolls shall be open for the reg-
istration of voters until 10 o'clock p.
m. on the day preceding any club elec-
tion and the secretary of each pre-
cinct club is hereby required to be
present at all meetings of the precinct
club with his roll book; and a para-
graph to read:"The secretary's roll book shall be
open at all times to inspection by any
officer of the club, or by any member
of the Territorial or county commit-
tees, and to any member of the club
at any meeting thereof.""The present rules close the roll
books at the same meeting at which
nominations are made or, at the latest,
on the following day. In the last elec-
tion the rolls were not closed, in ac-
cordance with the call issued by the
Territorial Central Committee, until 10
o'clock on the Friday evening preced-
ing the election. This enabled the var-
ious clubs to take advantage of the
increased interest manifested by rea-
son of the nominations that had been
made during the preceding week; and
this was found to be of considerable
advantage in enrolling persons qual-
ified to be members of the club; and,
so far as we are aware, no ill effects
came of the innovation. This proposed
amendment is for the purpose of taking
advantage of the days intervening be-
tween the nominations and the elec-
tions."The latter part of the amendment
makes the secretary's roll books avail-
able to any person of competent au-
thority."No. 13.—To amend procedure in fil-
ing nominations."Amend Section 17, Article 1, by
adding after the last sentence thereof:
"The chairman shall announce to
the meeting, immediately upon the fil-
ing of any nomination, the name of
the nominee and the office for which
he is nominated; and this announce-
ment shall be prima facie evidence
as to the validity of the nomination;
provided, however, that such nomi-
nation shall not entitle the person so
nominated to be a candidate if he shall
later be found ineligible to hold the
office for which he was nominated.""The present rules provide that nomi-
nations shall be filed in writing. This
has been the source of numerous com-
plaints from time to time. As no form
is prescribed by the rules for this
purpose, it occasionally has happened
that nominations made in good faith
by qualified persons have, subsequent
to the nomination meetings, been ruled
out of order for more or less technical
reasons. It is not thought wise to now
prescribe a form for this purpose, as
it would soon be lost sight of or for-
gotten by many, with the consequence
that many nominations would subse-
quently be made that might be ruled
out on technical grounds."By having the chairman of the
meeting announce, immediately upon
the filing of any nomination, the name
of the nominee and office for which he
is nominated, these difficulties are
avoided."If the nomination is not in order,
the chairman will not announce it,
which will at once elicit the reasons
for its imperfection and lead to its
correction before the meeting is over.
The nomination having once been an-
nounced can not subsequently be ruled
out, except on account of ineligibility
of the person nominated, or by his
voluntary withdrawal, and not, as at
present, on account of technicalities
attendant upon the filing of the nomi-
nations."No. 14.—To allow judges of election
to grant election certificates without
holding an election in cases where
there are no contests."Amend Article 7 by inserting after
Section 9 a new section designated as
Section 10, reading as follows:"If on or before the hour of the
opening of any primary election it shall
be found that there are not more can-
didates from any precinct than any
office or offices for which the election
is to be held, the judges of election
of such precinct club may declare the
polls closed; and in such case they
shall forward returns, as provided in
Sections 8 and 9 of Article 7, showing
the election of all of such candidates
to the offices for which they were
nominated respectively.""This relieves the judges of election
and their club officers of the need-
less trouble of holding an election
when there is no contest."The foregoing comprise the amend-
ments either originating with this com-
mittee or suggested to them; the adop-
tion of which they now recommend.
In addition to this, there have been
presented a number of well-considered
propositions, the adoption of which is
not recommended at the present time.
Among the latter is the suggestion
that the treasurer of the Territorial
Central Committee shall be required
to publish all of the contributions re-
ceived and expenditures made by the
committee, in accordance with the lines
set forth in a recent Act of Congress."Your committee, whilst agreeing
with the spirit of this proposed amend-
ment, do not see their way clear to
recommend its adoption at this time,
but feel that it would be best accom-
plished by proposing to the next con-
vention that a plank be inserted in
the party's platform pledging it to pass
legislation giving effect to this pro-
posed measure, which, when adopted
by the Legislature, would apply not
only to the Republican party, but to
all other parties within the Territory
as well."A Rejected Proposal.
Among the proposals the subcom-
mittee avoided recommending was one
to amend Section 1, Article 2, by add-ing a second paragraph reading as fol-
lows:"No elective or appointed county or
Territorial officer shall be entitled to
become a member of any county com-
mittee or to hold a proxy of any
county committee during the term
of his office."The article now prohibits county and
Territorial officers from belonging to
the central committee.BAND CONCERT AT
UNIVERSITY CLUBThe famous First Infantry band will
give a concert at the University Club
tomorrow evening, beginning at 8
o'clock. The following is the pro-
